Garden Waste & Tree Branch Pick-Up

Public Works will be collecting garden waste and tree branches from **October 21st to 25th**.

Please have garden waste and/or tree branches by your garbage pickup area prior to the 21st of October for this is one time collection.

Please refrain from piling garden waste up tight against fences or garages, to eliminate damage by equipment while crews are conducting the pickup.

Did you know? Garden waste & tree branches are accepted at the landfill year round at no charge.

Reminder – outstanding property taxes are charged interest at the 1st of each month.

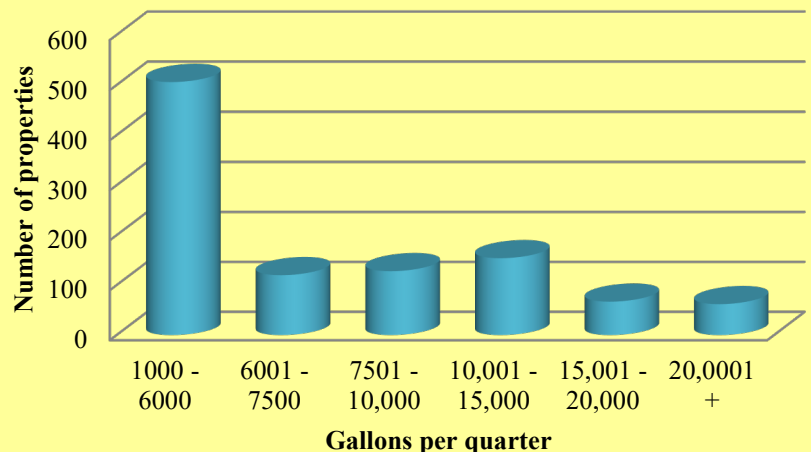

Do you know your Water consumption?

The Town of Unity water rates are based on a minimum usage of 6000 gallons per quarterly cycle. In the breakdown of usage per households below, 49% of properties are in the 1000 to 6000 category. Whereas, 6% of properties are represented in the 20,001+ category (includes commercial properties and a few residential).

Find your usage in the center area of your Utility Notice.

Ensuring your household is water conscientious, as well as repairing drips/leaks timely, can reduce your usage and therefore reduce your payment.

Household Water Consumption

Data is based on 1037 occupied properties (with no interruptions to services) during the 2019 April 1st to June 30th billing period.
