

Dear Residents,

The current COVID-19 outbreak has created challenges for everyone around the world and in our society. We are all currently experiencing a rather tough period even though, overall, our Province and our Town have shown tremendous respect and cooperation during this epidemic by diligently following the different rules and guidelines that have been imposed by our governments.

In the same light, as a responsible Local government, the Unity Town Council takes the COVID-19 pandemic seriously and continues to monitor its evolution in Saskatchewan and Canada closely. Our top priority remains the health, safety and well-being of our residents and our employees. As a result, after discussion and upon receiving advice from Public Safety, Health and Legal professionals, the Unity Town Council has decided to keep the swimming pool and the Community Centre closed to the public until further notice.

While we recognize that the swimming pool plays an important part in your overall summer plans, we could not ignore the direction and advice received from the above-mentioned experts.

We acknowledge that these are exceptional times but we are confident that everyone will understand our decision; and they will, individually and collectively, exercise an abundance of caution in dealing with this virus so that we can all prevent its spread in our community and not put the health and lives of our neighbours, friends, families, children, medical staff and first responders at risk.

Please do not hesitate to contact our office either by phone on **306-228-2621** or by email at [townofunity@sasktel.net](mailto:townofunity@sasktel.net) if you have any questions and we will be glad to help.

Sincerely

  
.....  
**Aileen Garrett, CAO**
