

# TOWN OF UNITY NEWSLETTER - JANUARY 2023

## Residential Snow Clearing

Please keep our streets safe for motorists, pedestrians and Public Works employees by not using snow blowers, plows, quads, shovels or other methods to move snow from residential properties onto the streets.

### **When the snow flies...**

Please be considerate of our Public Works crews as they work to keep our streets in good driving condition through the winter months. Be aware of street closures for snow removal and give our staff room if you need to pass them. They are working with large equipment, and we want them and you to make it home safe at the end of the day!

***Parking of vehicles on Unity streets is limited to 72 consecutive hours.***

This is important to help Public Works Department to keep streets clear and safe.

***Thank you from our Public Works Department, Bylaw and all Town Staff!***

Utility Bills are due **January 31**. Accounts that are outstanding after this date will receive a door hanger reminder 2 - 4 days prior to water shut off.

A \$175 reconnection fee plus the outstanding bill must be paid prior to reconnection of services.
