BREAKING NEWS **Monthly Utility Billing** 

Utility Billing is moving to monthly!
With an anticipated start date of October 2024.

Assist with reducing the costs associated to providing this monthly service, by going paperless with the **Customer Portal** (free 24/7 access to invoices, receipts, and updates for property tax, utilities, and general accounts).

To join, email info@townofunity.com or call 228-2621 for more information.

 **Elm Tree Care** 

Provincial regulations **prohibit** pruning of elm trees from April 1 to August 31 each year. The beetles are most active then, and fresh cuts attract them increasing the chance of infection.

The increase in billing cycles has created the need to introduce a printing service fee to cover the additional costs. Starting in October 2024, printed notices sent via postal service will include a \$2 charge per billing cycle.
