OR fill out a paper copy at the office.

Water Usage Conversion

1 cubic meter = 220 gallons

30 cubic meters = 220 x 30 = 6,600 gallons

60 cubic meters = 220 x 60 = 13,200 gallons

90 cubic meters = 220 x 90 = 19,800 gallons

120 cubic meters = 220 x 120 = 26,400 gallons

140 cubic meters = 220 x 140 = 30,800 gallons

Utility Bills are due **October 30**. Accounts that are outstanding after this date will receive a door hanger reminder 2 - 4 days prior to water shut off.

This is the ONLY reminder prior to shut off. A \$175 reconnection fee plus the outstanding bill must be paid prior to reconnection of services.
