

TOWN OF UNITY NEWSLETTER

January 2022

Residents with SaskTel email addresses:

We have spent significant time over the past year *exhausting all options* to help correct the issue with sasktel.net email addresses.

We have learned SaskTel sold the sasktel.net service, and the new owners are aware legitimate emails are being filtered to Spam (not junk), and do not intend to work on a resolution.

(your spam is only accessible by logging into the sasktel.net website)

If you have questions or require assistance, please contact SaskTel or email: townofunity@sasktel.net

*Mayor Del Frari, Town Council
and all Town Staff*

wish you a

When the snow flies ...

Please be considerate of our Public Works crews as they work to keep our streets in good driving condition through the winter months. Be aware of street closures for snow removal, and give our staff room if you need to pass them. They are working with large equipment, and we want *them and you* to make it home safe at the end of the day!
