Unity Rec Skate Program
Registration Form

Our Program Unity Rec Skate is an alternative hockey program for school-age children with some skating ability. It is not a learn-to-skate (re: CanSkate) or competitive hockey (re: Unity Lazars) program but instead offers a combination of power skating, puck skills instruction and scrimmage time to elementary and middle years children. Our group is typically composed of boys and girls of varying ages, sizes and skill levels. On-ice instructors plan drills, direct instruction and moderate scrimmage play. Participants dress for shinny (see Equipment) vs. full hockey gear.	Season Wednesdays @ 3:30-4:15 pm, Unity Community Centre October 14 - March 17 (wind-up). Note: Rec Skate is not offered during the Christmas or February school breaks.
Equipment All participants require skates, stick, helmet with mask and some form of hand covering. Actual hockey gloves are not mandatory. (Contact Mr. Weber if you're looking for items.)	Fees \$100 per participant per season. No half season or partial fees accepted. Payment Options 1. eTransfer unityrecskate@gmail.com after returning your completed registration form to Mr. Weber. (Preferred) 2. Cheque (please return with your completed form.) 3. KidSport funding by private arrangement.
